### Treasurer's Report

Jim states that the current balance is roughly \$ 8,000. Jim also reported that the Upland Hunt showed a profit of \$ 939. Thank you to all of the 'Member Judges' who were integral in making this profitable for the club. Also thank you to Chad Miller, along with Ken, our bird supplier for flexibility on our bird order for the tests! It comes as a recommendation to adjust training bird purchase price on PayPal to cover fees associated with the club using the PayPal platform. The bird purchase fees will be adjusted accordingly.

### Fun Hunts

We have our first regular fun hunt this Saturday in Fenwick. We encourage all of our members to attend, and be able to run dogs on both land and water setups. There will also be a fun hunt on Tom Jelsema's property on May 12th. Look for directions and details on the website.

### Old Business

#### Spring Hunt.

Phil will be sending out the spreadsheet for each helper who has signed up. Thank you to each one who has signed up. If you have not signed up to help, we still have room for you to help! Please contact Phil, and you will be plugged into a task. WE HAVE DOG FOOD for our test! Chad received a call from the HRC National Secretary, and she has made the arrangements for our club to receive the bagged food for our entrants.

Members who have ordered wingers, Chad is making arrangements to get these to you.

### New Business

Ron Jenks provided a sample walnut plaque milled in the shape of Michigan to present as a Title Plaque at our hunt tests. These plaques would come at a cost of \$ 15. Our current title ribbons cost the club \$ 8. Much discussion was had, and it was proposed that our club purchase a quantity of these plaques for the 2019 tests. Tim Doane also mentioned that if the handler would like personal information added to the plaque, that for a nominal cost this could be done, and then mailed to the handler at a later date. A voice vote was unanimous.

National Meeting; Chad will not be able to attend the national meeting this year. If anyone, who did not attend the meeting would like to attend as a representative of the club, please contact Chad. Otherwise, Chad will find another member of HRC to Proxy our Club's vote. The details for the National meeting are as follows. The club will reimburse expenses, the agenda for the meeting involves rule change votes, the weekend begins with a dinner on Friday June 8, and there is a banquet on Saturday evening.

Club logo merchandise: We will put together an order form to place a bulk order of club apparel, hats, and stickers very soon. Look for this order form to hit your email in the next few weeks.

Tim Doane will be providing a detailed map to have for each handler in every flight for parking, and negotiating the test grounds. He will also have a small note on there if anyone has any complaints to please see him with those. Also, Tim is willing to have a short devotional time at headquarters on Sunday morning. "It's Sunday, why not have Church?" This is open to anyone, and will begin at 6:45, and conclude by 7 AM.

### Adjourn

A motion to adjourn was made by Patti Doane, and seconded by Joe Schwenke.
