MEMBERSHIP APPLICATION

In North America today, there is an organization that was established Hunting Retriever in a true-to-life hunting environment. This organization Retriever Club, Inc., was created to develop the type of testing that you, like you, have wanted for years. The Hunting Retriever Club, Inc. (HRC) is a no-nonsense, true to life, training and testing program where gun dog owners learn and test their dogs afield.

The HRC was formed under the auspices of the United Kennel Club (UKC). UKC was founded in 1898 as a purebred dog registry devoted to recognizing and promoting the inherent working abilities of hunting dogs. UKC sponsors more hunting dog shows than any other such organization in the world.

To become a member of the HRC, just complete the membership application below. Each membership includes a year's subscription to HUNTING magazine, which includes training and information articles as well as local club results and a list of upcoming events of the HRC local Clubs.
